

PK 13002 / PK 14002 - EH

High Performance

PALFINGER CRANE

Power Link Plus. Flexibility at its best.

The PK 13002 *High Performance* has an impressively wide performance range. Used in the municipal sector, for transporting building materials or in classic unit load handling, it demonstrates its high level of flexibility and reliability on a daily basis. The PK 14002 EH *High Performance* is impressive in its class due to innovative technology, functional design and equipment features that define today's state-of-the-art truck-mounted crane.
